

Resolution 4008-R-112911

A resolution stating that Student Government fully supports the University of Toledo's newly implemented main campus smoking restrictions.

Author: Senator Jimmy Momenee

Whereas, smoking is an annoyance and an obstruction of student health and well-being, and an obstruction of the ability to breathe clean air on campus, and

Whereas, the State of Ohio has implemented a law banning smoking within 30 feet of exterior doorways, and

Whereas, the University of Toledo has furthered the state approved smoking ban for the sake of students' health by implementing a total of seven bus stop enclosures for smokers to use while on main campus.

Therefore, let it be resolved that, the Student Government fully supports the University of Toledo's decision to implement the smoking restrictions.
