

Resolution

-a resolution requesting installation of 20 closed circuit TV system cameras at entrances and common areas into the Student Union in which UTPD, Building Managers and certain administrators to be able to view.

Author: Senator Tion Taylor

Sponsors: Senator Victoria Delly

Whereas; the University of Toledo's is committed to the safety and security of everyone on its campus per Chief Newton in the "Keeping UT Safe" video,

Whereas; to increase the safety and security of students, faculty staff and student workers,

Whereas; there are only cameras in the bookstore, outside of the Huntington Bank location, and outside the credit union,

Whereas; one camera should be installed outside Student Union Room 2582 entrance,

Whereas; one camera should be installed outside Student Union Room 2584 entrance,

Whereas; one camera should be installed on the east stairwell entrance,

Whereas; one camera should be installed on the east end between the Dean of Students Office and Student Conduct office,

Whereas; one camera should be installed near the Free Speech Board entrance,

Whereas; one camera should be installed at the entrance near the restrooms right before the food court entrance,

Whereas; one camera should be installed at the middle door near the Rocky's Attic entrance,

Whereas; two cameras should be installed in the food court in view of the north entrances and the activity within,

Whereas; one camera should be installed in the South Dining Hall to see all exits

Whereas; Ottawa East Dining Hall has cameras,

Whereas; one camera should be installed at the entrance near Starbucks,

Whereas; one camera should be installed in Rocky's,

Whereas; one camera should be installed on the east entrance near the Bookstore,

Whereas; one camera should be installed on the west entrance near the Bookstore,

Whereas; one camera should be installed at the entrance near the bus loop,

Whereas; one camera should be installed outside of the dock

Whereas; one camera should be installed on the inside of the dock

Whereas; one camera should be installed in the South Lounge,

Whereas; two camera should be installed on the east end and west end of the 3rd floor where the student organization offices are located.

Let It Be Further Resolved, that many Student Union staff members support this Resolution,

Therefore, Let It Be Resolved, that Student Government formally request that there be 20 closed circuit security cameras installed in the Student Union by the beginning of the Fall 2012 semester.
