Authors: President Matt Rubin, Senator Heather Engle

### Method of Solution:

1. The University of Toledo Student Government will hold a joint session with Bowling Green State University Student Government on Monday October 3<sup>rd</sup> at 7:00pm at Bowling Green State University.
2. The University of Toledo Student Government will sing our fight song and agree to a friendly wager on the outcome of the UT/BG football game (October 15<sup>th</sup>).
3. Any Senator who attends this meeting will be excused from their office hours for the week of October 3<sup>rd</sup>.

### Implementation:

1. Members of The University of Toledo Student Government will meet at The University of Toledo Student Government office at 6:00 pm. We all will then travel to Bowling Green State University by bus.
